

STAINLESS STEEL CABINETS

Stainless Steel Kitchen Cabinets

Technical Specification

Hinge Options	110° zinc plated steel hinges- soft closing
Standard	Snap-on function; make it easy to remove the door for cleaning
Door/Drawer Panels	Manufactured from brushed stainless steel, 430 grade.
Finish Upgrade	The stainless steel panels can be powder coated to any colour, please specify the RAL colour when ordering.
Drawer Mechanism	Integrated damper that catches the running drawers so that they close slowly, silently and softly. Fully-extending drawers; for easy overview and access to the contents. Smooth-running drawers with stop. Drawers are self-closing the last few centimetres. Powder Coated steel- Colour Silver
Pan Drawer Mechanism	Integrated damper that catches the running drawers so that they close slowly, silently and softly. Fully-extending drawers; for easy overview and access to the contents. Smooth-running drawers with stop. Drawers are self-closing the last few centimetres. Powder Coated steel- Colour Silver
Carcase	Sturdy frame construction, brushed stainless steel, 430 grade.
Handles	All cabinets are supplied as standard with a brushed steel 'T' bar handle (code- H01) other styles & lengths are available upon request.
